RICHLAND COUNTY WATER RESOURCE DISTRICT
Special Meeting
7625 164 Ave SE
Barney, ND
April 10, 2015

The Richland County Water Resource Board (RCWRB) held a special meeting on April 10, 2015 at 9:00 AM at Don Moffet's shop, located at 7625 164 Ave SE, Barney, ND.

THOSE PRESENT: Managers Arv Burvee, Gary Friskop, James Haugen, Don Moffet, Robert Rostad, Engineer Mike Bassingthwaite (Interstate Engineering), Engineering Technician Justin Johnson, and 17 guests.

Purpose of the meeting was to present information about construction of a potential detention site in the Proj #15 watershed. Those invited to the meeting were owners of land identified as potential construction sites. Engineer Bassingthwaite presented the detention site concept and the advantage of a detention area, which is to temporarily store water during flood or high water events. Discussion included location, design, rights-of-way, easements, project costs, and funding.

Several questions/comments were addressed.

Adjournment
The meeting adjourned at 10:30 AM.

Respectfully submitted,

Monica Zentgraf
Secretary

Don Moffet
Chairman of the Board
