

RICHLAND COUNTY WATER RESOURCE DISTRICT
Senior Citizens Center, Hankinson, ND
March 16, 2015

The Richland County Water Resource Board (RCWRB) met March 16, 2015 at 10:00 AM at the Senior Citizens Center, Hankinson, North Dakota

THOSE PRESENT: Managers Arv Burvee, James Haugen, Don Moffet, Robert Rostad, Engineering Technician Justin Johnson, Engineer Mike Bassingthwaite (Interstate Engineering), Pat Downs (Red River Retention Authority), Keith Weston (NRCS), and several guests.

The first meeting was held at 10:00 AM and the second meeting was held at 1:00 PM to present information about construction of potential detention sites in the Project #65 and #31 watersheds (respectively). Those invited to the meetings were owners of land identified as potential construction sites. Engineer Bassingthwaite reviewed the concept of constructing detention sites to temporarily store water during flood or high water events and funding for such projects.

Pat Downs, of the Red River Retention Authority (RRRA), addressed previous retention projects and explained the duties of the RRRA.

Keith Weston, of the NRCS, spoke about what NRCS can provide for programs and funding.

Several questions/comments were addressed at both sessions.

The Managers will follow up with those present by letter to gauge support for a project in each of the two watersheds.

Adjournment

There being no further business to come before the Board, Chr. Moffet adjourned the meeting at 2:10 PM.

Respectfully submitted,

Monica Zentgraf
Secretary

Don Moffet
Chairman of the Board
