

WEED MOWING NOTICE

All grass and weeds along regularly traveled Richland County and Richland County Township roads must be mowed on or before October 1, 2022, by the land owner or operator - as required by the North Dakota Century Code [63-05-02](#). Mowing along the slope and ditch bottom must have a maximum stubble height of 4 inches.

Areas that are hayed must also meet the 4" stubble height requirement.

Haystacks and bales must be removed by October 1 - prior to mowing deadline or they will be disposed of so they will not create a snow problem.

Failure to comply with this order will result in the cost of mowing being charged to the Richland County landowner.

All taxpayers that do not want to be charged for mowing ditches along their property must have this work completed before October 1, unless prior arrangements are made with the Highway Department.

**By Order of the
Richland County Engineer**

Jesse Sedler, P.E.
