MEMORANDUM

To: Harvest Permit Users

From: Jesse Sedler, P.E.
Richland County Engineer

Date: September 12, 2022

RE: Harvest Permits Fee Change

At the September 6, 2022 Commission meeting, the Richland County Board of Commissioners voted to change the Harvest 10% Overweight Permit to a seasonal permit, and change the fee to \$1000. The permit will be good for the harvest season and will expire on December 1, 2022. This change may not take effect in our LoadPass Permits system until sometime in October, therefore, harvest permits for the 2022 season may be purchased directly through the Richland County Highway Department via email or over the phone.

If you should have any questions or require further information on acquiring permits please do not hesitate to contact me at (701) 642-7810.
